ABOUT US

ISIK Limited Company, was founded in 1963 by our esteemed family elder Kemal ISIK. ISIK, known as one of the first manufacturing companies in Turkey, was institutionalized in 1979, ISIK Madeni ESYA San ve Tic Ltd.Co. he has acquired his professional identity.

As ISIK, our commitment to our profession started in a small factory and today we continue our production activities in a closed area of 1000 m2 with the same commitment. We have valuable brands that always reveal the difference in quality within İşik. We have been manufacturing stainless steel forks, spoons, knives and utensils for over 45 years.

Our company has spent the last 20 years developing especially in the supply of Inflight Catering and Airline Catering. Our first work in this field was with Turkish Airlines since the early 2000's. Turkish DO & CO catering services as. until its establishment (2009), we continued to work with Turkish Airlines on both Economy, Business Class and some of CIP Lounges. Since the establishment of DO&CO, we have provided and continue to provide DO&CO's supplies in these areas. Our cooperation is already ongoing.

Besides , from time to time Azerbaijan Airlines, BTA supply distribution and Trade Inc. We also work with airline - Catering companies such as AtlasGlobal , Sancak Air, Freebird Airlines. Apart from the airlines, we have provided a lot of supplies in the military tenders of the Ministry of National Defense since the past. In addition, we provide supplies for some schools and hotels.
